

Himonya Park is divided into various areas, with the enjoyment method and usage rules differing for each area. Further, the types of animals that visit differ by area, too.
 This park can be enjoyed in many ways, and we ask that everyone follows the rules when using it.

Free space, lawn space
 Spaces with a lawn and a meadow. Guests can play ball games in the free space.

Tennis court, baseball field, gymnasium
 This is an area where guests can enjoy sports such as tennis and baseball.

Square of relaxation and interaction
 A space with artificial hills and a meadow for relaxation and interaction. We take measures so that flowers from the four seasons bloom and attract animals.

Benten Pond
 Guests can enjoy boating in Benten Pond. In this area, guests can enjoy walking their pets.

Flower park
 Guests can enjoy seasonal flowers that are tended to by local volunteers.

Children's Animal Square
 Here, guests can pet ponies and small animals.
