- ※ You can take the vaccination at the clinics in 22 wards other than the ones in Meguro-city.
Please ask those institutions or the municipal office directly if vouchers are available there.
- ※ For those who will take the vaccination, please make an appointment at a clinic beforehand.
Be sure to bring the voucher when you visit the clinic.
- ※ We would update the list of institutions in Meguro-city website when there is any change.
Inquiry : Meguro Public Health Infection Control Section
